Dear Parents and Carers,

With our Christmas shows fast approaching, we would like to ask for your help in supporting all members of our school community. We want to offer you all the opportunity to take photographs and videos of your children at these special events. However, for some children, there is a serious safeguarding risk to these images being shared. To enable us to allow the use of cameras in these events, we need to ask you to adhere to our safeguarding protocol:

Photos and videos must be of your own child - please focus upon them
Photos and videos must not be shared on the internet

Please support us to ensure that we all protect one another. This is a serious issue, and we value your support. We do hope that you enjoy these lovely events!

Thank you so much,

Jo Hall
