On Thursday, last week, we held a New Starters Information meeting for parents/carers' of children who will join us in September. The event was well attended and it was great sharing information about our school and enabling those present to have a look at our Early Years classrooms and meet the teachers. We are looking forward to our new starters joining us in school for a number of visits in June and July before they start with us in September.

Monday assembly was a little different this week, Richard Sheriff (CEO of Red Kite Learning Trust) visited to give out Long Service Awards to staff in school. These were for staff who had been employed at Rossett Acre for 5+ years, 10+ years and 20+ years. There were 27 Long Service awards to give out in total, which was amazing! Rossett Acre is obviously a great place to be! The children then sang a number of songs, led by Miss Wolsey.

On Monday after the end of the school day, staff attended a two hour training session on Mental Health for adults. This was an interactive session and focussed on self-care ideas; this follows on from the training staff had earlier in the year - supporting children's mental health. This links to our work towards achieving the Carnegie Mental Health Award; it is so important for everyone to look after their own mental health and to have the strategies to do this.

"When individuals are mentally healthy, they are able to realize their own abilities, cope with the normal stresses of life, work productively, and make positive contributions to their community" (World Health Organization, 2004).

On Tuesday, it was class photos day. Thank you to all parents/carers who sent their children to school looking smart for the occasion.

MAKE-UP – KEEP FOR HOME USE PLEASE

During the class photos this week, it became apparent that a number of children seem to be wearing make-up in school, including foundation, fake tan, eyeliner and mascara. This is not allowed in school. Please ensure your child comes to school without wearing these items. Thank you.

PVA DISCO

Thank you to everyone who purchased a ticket for the PVA Spring Disco. It is hoped that we will have made approximately £500. The PVA will spend some of the money by investing in disco lights to keep in school, (we borrowed Miss Christie's for tonight), and the rest will go towards our long-term goal of buying a shelter for the playground.

Congratulations to Hattie O (CH/MW) who was the winner of our poster competition. She won a free ticket to the disco.

PICTURE BOOK ASSEMBLY

On Wednesday, Mrs Williams shared the book 'It's a No-Money Day' written by Kate Milner. This linked to the work children have been doing this week in class. The book is about a family where Mum works really hard to support the family but they still need to visit a foodbank to make ends meet.

The music played this week was: The Christians – Harvest For The World

Please could you ensure your child brings a **named** hat suitable for the hot weather.

Please use a high factor sunscreen (SPF 15+) before coming to school. Sunscreen can be brought to school but must be named and kept in a child's bag for their use only.

YEAR 3 FOOTBALL AT ROSSETT SCHOOL

On Tuesday some of our Year 3 children attended a football competition at Rossett School with other schools from the area. The boys and girls played brilliantly and showed fantastic enthusiasm and great sportsmanship. They came joint first overall. Well done to Abigail, Charlie, William M, William G and Oscar for having a special mention by the young leaders for their determination and resilience too! Overall, there were some fantastic football skills shown, lots of games won and the children did Rossett Acre proud. A big thank you to Mrs Mansfield who accompanied the children.

FEAST HOLIDAY PROGRAMME

HAF is a programme that runs in every Local Authority in England over Easter, Summer and Christmas holidays, via funding from the Department for Education. In North Yorkshire, the HAF Programme is called FEAST, and is run in partnership between North Yorkshire Council and North Yorkshire Together.

FEAST enables children and young people in Reception – Year 11 (Year 13 if SEND) on benefits-related Free School Meals to access free holiday activities, where they're also provided with a free meal. Children who are entitled to this receive a letter with a booking code.

As well as those on benefits-related Free School Meals, the Local Authority can also make other children and young people who face disadvantage eligible by exception. This might include, for example, young carers, refugees, looked after children, asylum seekers, those with SEND and those identified as vulnerable by school or early help. If you think you would be eligible for this, please pass your details to Mrs Misseldine in the school office, office@rap.rklt.co.uk who will forward them on to North Yorkshire Council.

GOVERNOR VISITS

On Monday, our governors were in school for their termly meeting. Each time, as part of the meeting, we look at one of the following areas: Curriculum, Children, Culture and Community and on this occasion the chosen area was 'Children.' A number of our children attended the governor's meeting and spoke about what they had been doing in school. We had representatives to explain our financial education work and our work towards trying to save Rotary Wood, as well as children from our PVA (Pupil Voice Ambassadors) and members of our Trust Youth Board. All the children spoke brilliantly, and I was incredibly proud of them. Our chair of governors, Natalie Jones, was very impressed with how the children shared their ideas and observations with our governors and said it was really inspiring to listen to them. Well done to everyone involved.

DOUGHNUT SALE

Thank you to everyone who supported the Year 5 doughnut sale last Friday. They raised a fabulous £340.50 which will go towards their East Barnby trip in September.

I hope the children have a great time at the PVA (Pupil Voice Ambassadors) disco tonight. I'll be joining them for a quick boogie! A huge thank you to Mrs Nimick and the PVA for organising and holding this event, and also to my colleagues who stayed after school to supervise the children.

I wish you all a wonderful half term holiday. I look forward to seeing the children back in school on Monday 5th June at the usual time.
