STEP 1: Register/ Sign in

If you are not yet registered as an active member on the website, you will need to register yourself and your child/children before you can start to book events. To do this click on 'Register' in the top right hand corner of the website. You will then be taken through a process of entering you and your child/children's details. You will need to enter the names of all adults and children you want to book activities for.

If you have already registered as a member click 'Sign in' in the top right hand corner of the website. If you have forgotten your password, click 'Forgot your password?' and instructions will be emailed to you to re set your password.

STEP 2: Book Activities, Events and Trips.

Once logged in you can view the calendar of events by clicking 'book events.' You can also access events by going to the 'Children and Young People' section of our website and then click on 'Events' in the drop down menu. If you are using your mobile phone or an iPad to book events, you can access the 'Child and Young People' section by clicking on the three lines in the top left hand corner. You can click on the event titles to find out more about each event. When you see an activity you want to book, click on the event and then on the 'Book Now' icon to add it to your basket. You will need to select which members of your family will be attending the event by clicking on the drop down and selecting children and/or parents/carers. Then click 'Submit'. You will then see a summary with three options: 1) 'Checkout' 2) 'View Basket' or 3) 'Book More'. You can select several events before checking out.

STEP 3: Pay or make a smaller cash donation on the day of the event

You can pay online via PayPal or debit/credit card. If you would like to pay via debit/credit card, select the option 'Proceed to PayPal' and click on 'check out as guest' and you will be given the option to pay with a card.

If you would struggle to pay full costs for any of our activities then we ask that you make a smaller donation instead to help continue our Activity Programmes.

Select 'Apply for help with payment' and then to finalise your booking you will need to click on 'Place Order'. You may need to scroll to the bottom of your computer/phone screen to see this button. We ask that you make a smaller donation of your choice towards the cost of the activity, which you can bring in cash on the day of the event.

To check existing orders, you can click on 'Profile', which will always display in the top righthand of the screen. Then click on 'Book Events' then 'My Orders'. **If you would like to contact us for any help with your booking, then please contact Rachel on the above number.**

Please note that children and young people are unable to register their own details on our website, as we require parental consent for all events.
